HERALD BUILDING

RETRENCHMENT IS PLANNED FOR SCHOOLS

The Board Fears to Expend
More Money for Paper
Dolls; Reports Made.

Whether construction work as now done in the primary departments, including the first three grades, is to be continued in the public schools of El Paso, is a mooted question with the school board and, pending a decision, the requisition of Miss Alice Swann, primary supervisor, asking for supplies totaling almost \$800, is being considered.

Action of that nature was ordered at a meeting of the school board Tuesday night at the Mesa school, president Carpenter stating that he preferred to wait until the full attendance of the board was present. Those at the meeting were president H. A. Carpenter, J. H. Harper, Dr. E. H. Irwin and Dr. B. M. Worsham, secretary F. E. Sawyer, N. J. Crozier, superintendent, and E. A. Ross, manual training superintendent. The requisition of Miss Swann covers supplies needed for the balance of the year, but Mr. Carpenter stated that owing to the financial condition of the school fund, some deliberation was due. About 2200 children are taking the work.

Action may be taken at a special meeting in the near future. A new room is to be constructed at the Highland Park school. Part of the space now used by a malted cross shaped hall in the building is to be boxed in and a radiator installed. The need for the extra room has resulted owing to the increased attendance at the school this year, and it has been a problem discussed at the various meetings of the school board this fall. It was decided to take action Tuesday night, owing to the approach of cold weather.

Repairs at Lamar.

A communication was read from city building inspector Haggart stating that the steps at the Lamar school are sagging and should be repaired. Sorenson & Morgan, who erected the steps, have announced that they will repair the steps if it is thought the work was not properly installed. The proposition was referred to the external committee with power to act.

A motion carried to repair the floor in the kindergarten room of the Sunset school. The recommendation of secretary F. E. Sawyer to reduce the size of the hydrant connections for school lawn sprinkling from one and a quarter inch to three-fourths of an inch, was considered, but no action was taken. Mr. Sawyer stated that a saving would be effected in the cost of hose and water.

Requisitions for needed supplies for the various schools as approved by the external committee, were allowed; also the requisition of the art department for drawing paper. The paper is needed for the children who will prepare art exhibits for the fair.

Superintendent's Report.

The report of superintendent Crozier was submitted and accepted. It follows: The first scholastic month of the session 1910-11 closed on September 30. A comparison of the enrollment:

Important to All Women Readers of This Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer a great deal with pain in the back, bearing-down feelings, headache and loss of ambition.

Poor health makes you nervous, irritable and may be dependent; it makes any one so.

But thousands of irritable, nervous, tired and broken down women have restored their health and strength by the use of Swamp-Root, the great Kidney, Liver and Bladder Remedy.

Swamp-Root brings new life and activity to the kidneys, the cause of such troubles.

Many send for a sample bottle to see what Swamp-Root, the great Kidney, Liver and Bladder Remedy will do for them. Every reader of this paper, who has not already tried it, may address Dr. Kilmer & Co., Binghamton, N. Y., and receive sample bottle free by mail.

You can purchase the regular fifty-cent and one-dollar size bottles at all drug stores.

The examining physician, Dr. Cathcart, filed his report some days ago, from which you may gather that the health of the El Paso teachers is good. Miss Alice George, Miss Anna New-some and Miss Ann Thurmond have missed the greater part of the time through illness. Miss New-some was compelled to give up her position for the present and go to her home. Miss Mamie Sexton, principal of the San Jacinto school, and Miss Alice Davis, teacher in the Aoy school, reported for duty the first Monday in October.

Tuition for the month of September was collected by the following schools: High school, \$24.76; Alamo school, \$6; Beall school, \$6.35; Mesa school, \$6.30; San Jacinto school, \$18.25; total, \$62.65.

Manual Training Work.
The report of superintendent E. A. Ross, of the manual training department, was also read at the meeting and accepted, as follows:

Every branch of work in the manual training department is now in running order and much progress is being made by the students. It has been necessary in several instances to combine classes and every teacher of the department is doing full work.

The annex to the Mesa school, which was equipped in order to make the Mesa shop available for more advanced high school work, is now in operation with its equipment of benches.

The boys of the Douglas school are now taking manual training courses. The courses of study in manual training for the students of El Paso schools are far better than they have been at any previous time.

We are now giving the same amount of time to manual training as is given in Detroit, Denver, Kansas City and nearly all cities where manual training is established and our eighth grade classes are given one-half hour more per week than is given in many cities. We give one lesson per week for all classes throughout the public schools.

School Expenses.
The report for September of secretary F. E. Sawyer, of the board, was submitted and accepted, as follows:

Total Expense	For September
Alamo school	\$1,552.50

Reaching the Spot

It Can Be Done, So Scores of El Paso Citizens Say.

To cure an aching back, The pains of rheumatism, The tired-out feelings, You must reach the spot—get at the cause.

In most cases 'tis the kidneys. Doan's Kidney Pills are for the kidneys.

Mrs. Carrie B. Taylor, 2415 Texas St., El Paso, Tex., says: "In February, 1907, I gave a public statement telling how greatly Doan's Kidney Pills had rid me of trouble, caused by weak kidneys. I can add at the present time that I have never suffered to any extent since. I have had slight attacks, but these have been quickly disposed of by the use of Doan's Kidney Pills. For some time I was laid up by pains in the small of my back. Doan's Kidney Pills were finally brought to my attention and procured a box at Kelly & Pollard's Drug Store, I began their use. They cured me and therefore I can highly recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Radiant Hair
Any Woman Can Have It by Using Parisian Sage

Madam: If your hair isn't just what you would like it to be why don't you use Parisian Sage?

If it does not put life and luster into the hair and cause it to grow abundantly, you can have your money back from Kelly & Pollard.

"Two years ago I lost all my hair and thought I would try Parisian Sage. Before I had finished using the first bottle my hair had stopped falling and my head was covered with new hair; also removed all dandruff, and today I have a lovely head of hair."

I think Parisian Sage the best hair restorer and dandruff cure in the world today. It also makes the hair clean, fluffy, and silky."—Miss Mary E. Dickson, 287 South Ave., Bridgeton, N. J., 1910.

For men, women and children, there is no hair preparation that equals Parisian Sage. It never disappoints; it does just what the American makers advertise it to do. It banishes dandruff, kills the dandruff germ, stops falling hair or scalp itch, or money back. Sold by Kelly & Pollard and druggists everywhere. Large bottle 50 cents.

SANTA ROSA NEWS NOTES.
Santa Rosa, N. M., Oct. 12.—The Herald is the most widely read paper coming to Santa Rosa; we have three passenger trains passing here during the daytime and The Herald is sold at all trains, and has a strong subscription list in town.

The Santa Rosa Commercial club has issued for free distribution an up to date illustrated booklet, descriptive of Santa Rosa and vicinity; for copies address the secretary.

Commissioner W. B. Giddings reports that over 200 wagons have taken fruit from his orchard this year.

The year's work of the Santa Rosa Literary club began Thursday.

Johnson & Johnson, the dairymen, have purchased the dairy herd of Chas. Nickerson.

Benigno Padilla, the leading Puerto de Luna merchant, was in Santa Rosa with about 18 teams. He loaded all of them with flour for his Puerto de Luna store.

East Vaughn will soon be a full-fledged incorporated village.

Miss Norma Mott has come to Fort Sumner to teach in the public schools at that place.

The young people of Santa Rosa were entertained at the home of Miss Olive V. Smith, those present being Misses Cavanaugh, Todd, Stearns, Mott, Nellie Smith and Merle Mott, and Messrs. Justice, Doly, Robertson, Compton, Baer, Goldenberg and Dr. Baker.

It is estimated that over 50 wagons daily use the highway bridge over the Pecos at this point.

Fat cattle are being shipped out of this station in large numbers.

Ready for business.—Snyder Jewelry Co.

A Dulchery, city ticket agent of the National Railway of Mexico, will leave Tuesday afternoon for Savannah, Ga., to visit his brother. He also has business interests there which he will look after while in the south. During his absence from El Paso, A. A. Escontrias, who formerly held the position, will be in charge of the local ticket office.
